Dear Friends in Faith:

We are immensely grateful for your support and willingness to help ensure that all voters have an equal opportunity to participate in the political process through the 2020 TURNOUT SUNDAY CAMPAIGN. TURNOUT SUNDAY is not a day in the week! It is the historic and current richness and power of black church culture focused on ensuring free and fair elections in our nation. Millions of people in the United States and billions around the world live their entire lives unable to thrive at a minimal level.

As Christians and American citizens, we have an obligation and moral responsibility to participate in elections to ensure that policies at the local, state and national levels bring us closer to achieving our vision of a world where all people experience compassion, equality and justice. TURNOUT SUNDAY coordinates civic engagement and public policy information sharing among denominational and independent church leaders facilitated through the Skinner Leadership Institute and the National African American Clergy Network (NAACN). This important clergy network has worked together on voter registration, education, protection, engagement and turnout activities and is proud to partner with Sojourners, a recognized authority on faith-based advocacy, and a source of information and inspiration to more than 5 million people of faith across the nation. The National African American Clergy Network partnership with Sojourners through the TURNOUT SUNDAY/Lawyers & Collars project brings together clergy (often in sacred collars), and lawyers to provide a moral and legal presence at polling sites of vulnerable voters. This powerful partnership helps to ensure that every eligible voter has the opportunity to participate in important decisions about their community.

By engaging voters in our broader communities, working across lines of difference, and involving committed allies, we can help ensure that all people have access to the knowledge and tools necessary to show up at the polls.

We hope that this faith-based voter toolkit will empower you as clergy and lay leaders to reach out to your family, friends, colleagues, congregations, and acquaintances to raise awareness and promote activism. The Church must be a leader in this work. We invite you to distribute this toolkit broadly to your network and post it on your social media. The full toolkit, the two-page short version toolkit, and individual pages will be available for downloading by visiting www.skinnerleadership.org.

INTRODUCTION
This Turnout Sunday African American Faith-Based Voter Toolkit is designed to help clergy and lay leaders educate voters, particularly historically underrepresented voters in key states. While this toolkit is designed primarily for use by National African American Clergy Network (NAACN) of denominational & independent church leaders and Sojourners community partners – any group or individual may utilize this as a resource to assist voters.

SPIRITUAL MANDATE
Beyond any particular political affiliations, God’s people have a spiritual mandate to become the vehicles for blessing struggling families on earth by voting for leaders of high moral excellence who address the needs of poor and vulnerable citizens. Every person is created in the image of God and deserves to have the power to vote their convictions.

“The Lord said to Abram . . . “All the families on earth will be blessed through you.” Genesis 12:3
New Living Translation (NLT)

“Give to Caesar what belongs to Caesar and to give to God what belongs to God.” Luke 20:25
New Living Translation (NLT)

“Just as the body is dead without breath, so also faith is dead without good works.” James 2:26

How Faith Leaders Can Protect the Right to Vote!

A few key steps, every faith leader can take:

1. Make sure all your members are registered to vote.
2. Educate your house of worship about updated voter identification laws, polling places, dates, and rights.
3. Preach and teach the importance of voting as a core part of discipleship and advancing justice in your house of worship.
4. Recruit clergy and church leaders to spend election day at the polls supporting and assisting voters working alongside lawyers.
5. Where possible, churches assist people with transportation to the polls.

A KEY VOTER PROTECTION STRATEGY

“We Are Watching” Meetings
With Clergy and State Election Officials

An essential activity of the TURNOUT SUNDAY/LAWYERS & COLLARS campaign with the National African American Clergy Network in partnership with Sojourners, focuses on “We Are Watching” meetings with the Secretary of State, or state election officials.

The meetings have two purposes.

FIRST: They provide local pastors with exact information on voter identification required to vote; polling locations and changes in polling locations, and how states are protecting the election from the risk of hacking that is being predicted, or other voter suppression tactics.

SECOND: They put state election officials on notice that pastors and the elections protection lawyers with whom they partner, will be watching for free and fair elections so every citizen can exercise the power to vote.

Top 10 Things Voters Should Know As They Go to the Polls

1. **What forms of identification are accepted at the polls** ... Because of new or unfamiliar voter ID laws in some states, new technology that’s not remotely consistent in many jurisdictions from year to year, and the sheer number of voters turning out, we expect more confusion each and every time an election is held. ID requirements vary by state, so check TODAY with your local election office for information on what you’ll need to provide.

2. **How to vote if you are a formerly incarcerated person (ex-offender)** ... No federal laws exist on felon voting and therefore the legal ability of people with felony convictions to vote varies from state to state. Check with your local elections office to know your rights – especially if you were convicted of a felony and have fully served and completed your sentence and are no longer on probation or parole. In 13 states and the District of Columbia, your voting rights are automatically restored upon release from prison and you can register to vote and exercise that vote.

3. **How to vote if English is not your first language** ... If you require assistance reading an English ballot and casting your ballot on Election Day, in some districts you have the right to receive voting materials in your own language. Contact your local elections office to find out.

4. **How to vote if you are disabled** ... Despite HAVA (Help America Vote Act of 2002) reforms, many polling places still aren’t easily accessible to disabled voters or persons with special needs including reading. Contact your local election office for information about accessibility at your polling place and how you will be able to cast your vote.

5. **How to vote early** ... Does your state have early voting or is it known as “absentee ballots” that can be requested by phone, in person or by mail? Contact your local election office to find out and take advantage.

6. **How to cast an absentee ballot** ... In a timely fashion, properly complete and send in your absentee ballot application and then submit your absentee ballot before the deadline. Be aware of and meet all deadlines for the absentee application and the absentee ballot itself. Contact your local election office if you need assistance.

7. **How to cast your ballot** ... Before Election Day, ask your local election office which machine you will be using on Election Day. Familiarize yourself and always ask for assistance if you are unsure how to cast your vote. Poll workers are required to provide you with assistance.

8. **When the polls are open** ... Polling hours vary by state. Confirm the time with your local election office. Always plan ahead and arrive early with 2 or more voting age persons prepared to vote. Also, if you are in line to vote when the polls close you have the right to cast your vote.

9. **Where local polling places are located** ... Has it changed since the last time you voted? Have you moved? Polls are generally located in public buildings, with voters assigned to locations based on where they reside. Contact your local election office to find your polling place.

10. **Who and what is on the ballot** ... Be an informed voter! Know about all the candidates as well as any ballot initiatives.

God’s Concern for Justice, the Poor, and the “Least of These”

Psalms 10:17-18 - 17 Lord, You know the hopes of the helpless. Surely you will listen to their cries and comfort them. 18 You will bring justice to the orphans and the oppressed, so people can no longer terrify them. NLT

Psalms 82:3-4 - Enough! You’ve corrupted justice long enough, you’ve let the wicked get away with murder. 4 You’re here to defend the defenseless, to make sure that underdogs get a fair break; your job is to stand up for the powerless, and prosecute all those who exploit them. THE MESSAGE

Proverbs 14:31 - Those who oppress the poor insult their Maker, but helping the poor honors him. NLT

Proverbs 31:9 - Speak up and judge fairly; defend the rights of the poor and needy. NIV

Amos 5: 21, 23, 24 - 21 I hate, I despise your religious festivals; I cannot stand your assemblies...23 Away with the noise of your songs! I will not listen to the music of your harps. 24 But let justice roll on like a river, righteousness like a never-failing stream! NIV

Micah 6:8 - He has shown you, O mortal, what is good. And what does the Lord require of you? To act justly and to love mercy and to walk humbly with your God. NIV

Zechariah 7:9-10 - 9 this is what the LORD Almighty says: ‘Administer true justice; show mercy and compassion to one another. 10 Do not oppress the widow or the fatherless, the alien or the poor. In your hearts do not think evil of each other.’ NIV

Matthew 25:31-46, 41 - 42 For I was hungry and you gave me nothing to eat, I was thirsty and you gave me nothing to drink, 43I was a stranger and you did not invite me in, I needed clothes and you did not clothe me, I was sick and in prison and you did not look after me. . . . ‘I tell you the truth, whatever you did not do for one of the least of these, you did not do for me.’ NIV

1 John 3:16-18 - 16 this is how we know what love is: Jesus Christ laid down his life for us. 1 And we ought to lay down our lives for our brothers. 17 If anyone has material possessions and sees his brother in need but has no pity on him, how can the love of God be in him? 18 Dear children, let us not love with words or tongue but with actions and in truth. NIV

Sample Pulpit Announcement

The prophet Amos reminds us to “let justice roll down like waters and righteousness like an ever-flowing stream.” (Amos 5:24)

This year, we will be participating with other churches across the nation in Turnout Sunday Services in preparation for the November 3rd elections. We, as Black Americans, and people of faith simply cannot afford to stay home. In fact, not voting has become increasingly dangerous to the economic and spiritual vitality of our community:

- With voting, we now have over 10,000 Black elected officials and helped to elect the first African American President in the White House.
- With voting, Social Security, Medicare, Medicaid, Lower Prescription Drug Costs, police/community relations, criminal justice reform, Supplemental Nutrition Assistance Program (SNAP/Food Stamps) and other financial stability programs are sustained.
- With voting, we have the power to vote for leaders who will support life-sustaining programs, for underserved Americans.

We ask all members to look out for instructions from our civic engagement coordinator (name/phone/email) as we prepare for one of the important November 2020 Election.

I ask each of you to commit to encouraging 5 family members, friends, and co-workers to vote on Election Day and make sure they get to the polls. If you need to register to vote, or update your registration information, you can do so online at www.voterparticipation.org.
